

Alone, you go faster. Together, you go further.

Always be yourself... unless you can be a blue zebra with wings.

The best is yet to come.

Dance, laugh, love!

You're stronger than you think.

Don't be afraid to let your hair down.

True friends are often counted on the fingers of one hand.

Anything is possible.

Always give the best of yourself.

If it feels right, sing day and night.

Get closer to your dreams every day.

True friends don't choose one another, they recognize one another.

You can do it. Go for it!

Always take your ideas seriously.

Never underestimate the power of a smile.

Thinking BIG is the best way to make BIG dreams come true.

Let your inner unicorn shine through.

Be the friend you would want to have.

Never be afraid to show your true colours.

Laugh often. It's free and it feels good.
